SYMPTOM MONITORING

AT NORTHWEST MEDICAL SPECIALTIES

Recent studies demonstrate that cancer patients who use an online app to report their symptoms during treatment experience better outcomes, higher quality of life, and are significantly less likely to visit the ER.

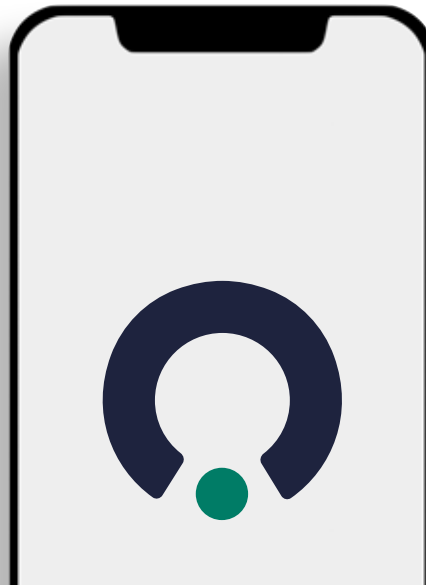

GETTING STARTED

01

Ask your provider for an invitation, then tap on the link in the SMS message to get the app.

02

Download the Canopy app and follow the instructions to begin.

CHECKING IN

The Canopy app is more timely and convenient than a phone call. It will automatically remind you to share your symptoms with us.

Stay Connected

We'll let you know when we've reviewed your report. If your symptoms require further action, we'll get in touch with you.

*Please do not use the Canopy app to report an emergency. Instead, dial 911.
